FAQs

Can you refer families to me?

You can receive referrals in two ways:

- Option 1: Activate your free account on the county's child care portal to receive referrals directly from families.
- Option 2: The R&R will provide a list of referrals to families and parents will contact you directly.

How can families get help paying for child care?

If a family is eligible and interested in the Alternative Payment option for child care, please contact both of the Alternative Payment Programs in Santa Clara County: Go Kids and Choices For Children.
